BACKGROUND

This document details the rules for the Sydney Wide Under 15A and 17A junior hockey competitions. Clubs from various Sydney-based Hockey Associations have agreed to nominate teams to participate in the competitions.

The competitions are run under the auspices of North Area Junior Hockey. In administering the Metro Competitions, the North Area Committee may delegate particular matters to a sub-committee comprising nominees from participating clubs and referred to as the **Metro Committee**. The Metro Committee Convenor will be the President of North Area Junior Hockey or nominee.

The competition will be governed by these Rules and relevant guidelines, as well as the Member Protection policies of Hockey Australia and Hockey NSW. These Rules have priority except where they would infringe those policies.

Section 1 – GENERAL

9. Matches shall be played at designated venues on a "Home and Away" basis at times set down according to the official competition draw. Wherever possible there shall be no play during:

SYDNEY METRO JUNIOR HOCKEY COMPETITIONS

Sydney Under 15A and Under 17A Metro Competition Rules

4. If a team forfeits a game with advance notice the forfeiting team MUST:
 - notify the opposing Team's Club Secretary/Junior Convenor; and

6. If a game is cancelled e.g. due to weather or unplayable surface, and it is not due to a team forfeiting, the teams will make all attempts to re-schedule the game at a later date. If this is not possible, teams will play for double points and double goals the next time they meet. If they do not play again, the game will be declared a 0-0 draw.
7. The Metro Committee may declare that a team has forfeited a match if:
 - The match has been partly or fully completed;

Section 8 – FINALS SERIES: SEMI-FINALS, FINALS AND GRAND FINALS

1. **Eligibility – 15A**
For the Sydney U15A Metro Competition, to be eligible for the final series a player MUST have played a MINIMUM of 50% of the available matches for their Club in the Sydney U15A Competition during the current season and three (3) of the last five (5) games in the competition prior to the finals series.
2. **Eligibility – 17A**
For the Sydney U17A Metro Competition, to be eligible for the final series a player MUST have played a MINIMUM of 50% of the available matches for their club in the Sydney U17A Metro Competition during the current season and three (3) of the last five (5) games in the competition prior to the finals series.

Extenuating circumstances may include injury and absences due to school-based commitments and representative hockey commitments. Absences should be supported with appropriate evidence. Applications for consideration of extenuating circumstances should be made in writing to the Metro Committee Convenor 14 days prior to the scheduled semi-final, final and grand final. In considering the application, the Metro Committee will give consideration to: the nature of the extenuating circumstances; the player's commitment to the competition, including any participation in other competitions; and the principle of teams fielding teams in finals that reflect those that have participated in the competition throughout the season. Even allowing for extenuating circumstances it would be unlikely that the Metro Committee will approve a player who has played less than seven (7) games in the competition prior to commencement of the finals series. The Metro Committee Convenor shall call a special committee meeting to consider the application. Any Appeals shall be to the North Area Committee.
4. Semi-Finals, Finals and the Grand Final shall be held on dates determined by the Metro Committee.

8. **Grand Final**

If teams are equal on completion of normal playing time the following shall occur:

- After a 5 minute break, teams shall change ends to commence a 14 minute SUDDEN DEATH (Golden goal) DROP-OFF period played as follows:
 - First 7 minutes only 9 players per team (2 drop-off - leave the field)
 - Second 7 minutes only 7 players per team (2 more drop-off - leave the field)
- During the SUDDEN DEATH (Golden goal) DROP OFF period, player substitutions may be made and each team must have a fully kitted goalkeeper on the field.
- If teams are equal on completion of the SUDDEN DEATH (Golden goal) DROP OFF period, a penalty shootout will be held to determine the winner.
- The penalty shootout will be undertaken as 1 v 1 attacks starting from the 23 metre line, with each attack being a maximum of 8 seconds and to be made by a different field player. Teams will take turns at attacking, with the team going first being determined by the umpire's coin toss. The team with the most goals after both teams have completed 5 attacks will be the winner.
- The goal used is selected by the umpires.
- If scores are even after both teams have had 5 attacks:
 - the attacks will continue using the same field players in the same rotation order; and
 - the first team to have a higher number of goals after both teams have had the same number of attacks will be the winner.
- Other rules of the penalty shootout:
 - There are no restrictions on the types of strokes the attacker may use to score and a goal is scored in the usual way.
 - If the attacker commits an offence, the ball travels outside the field of play, or 8 seconds elapse before the ball crosses the line, a goal is not awarded.
 - If the goalkeeper unintentionally fouls the attacker then the penalty shootout is re-taken; in the event the foul was intentional, a penalty stroke is awarded. However note that unlike the normal rules of hockey, it is not an offence for a goalkeeper to deliberately play the ball over the backline in a penalty shootout.
 - A player suspended by a red card during the normal playing time or during the SUDDEN DEATH (Golden goal) DROP OFF is not eligible to participate in a penalty shootout.
- Any matters not covered above in either the SUDDEN DEATH (Golden goal) DROP OFF or the penalty shootout will be determined by the umpires.

Section 9 - JUDICIARY AND MISCONDUCT

1. Judiciary procedures and misconduct provisions are to be applied in accordance with the Rules of Hockey.

SYDNEY METRO JUNIOR HOCKEY COMPETITIONS

Sydney Under 15A and Under 17A Metro Competition Rules

2. UMPIRE CARDS

- 1) *An umpire TEMPORARILY suspending a player during a match, shall indicate to the player and (where applicable) the Ground Convenor the duration of the suspension. A temporary suspension shall be limited to a minimum of FIVE minutes for a YELLOW card and TWO minutes for a GREEN card.*
- 2) *The name of the temporarily suspended player and the duration of the suspension shall be marked on the match card by a numeral alongside the player's name on the Team list.*
- 3) *The accumulation of THREE (3) temporary YELLOW card suspensions within one playing season shall automatically incur a one match suspension. Each additional TWO (2) temporary suspensions shall incur a further one match suspension. Suspensions are to be effective upon notification to the relevant club by the Metro Committee Convenor. Such suspension shall disqualify that player from participating in any game to be played in the Round following notification. If the suspension is incurred during a Semi Final victory, (where the Prelim. Round is missed) then the suspension will apply to the Grand Final Round.*

An umpire issuing any card to a player (or spectator) during a match shall note the player's (or spectator's) details such as name, number, team and brief description of misconduct on the match card.

All Team Managers are required to keep a tally of all cards given to players (or spectators) within their team/club.

3. A player awarded a Red Card shall appear before the Metro Committee, acting as a Judiciary (or such other judiciary as the Metro Committee may appoint) in accordance with procedures to be determined by the Metro Committee (acting reasonably). Penalties for breaches of the rules of hockey may include suspensions for players and loss of points for clubs.

Section 10 – SPECIAL PROVISIONS

1. Clubs are allowed to submit a request for the entry of a second team to the Metro Committee. This request will be assessed on merit and potential player strength.
2. A Club will not be allowed a second team if it prevents another club entering a single team or causes the inclusion of a Bye into the competition.
3. Clubs are allowed to submit a request for entry of a combined (joint) team to the Metro Committee. The submission is to be a 50:50 split (or as close to) of players from either club. An application must list the names of the players and the reasons for nominating a combined team.
4. The Metro Committee approval of a combined team will be subject to receiving the final player registration list. The registration list is to include the name, address, phone number, age and representative playing experience of the junior players from each club of a possible combined team. This list is to be in the hands of the Metro Committee Convenor two weeks prior to the start of the Sydney U15A Metro competition or the Sydney U17A Metro Competition (as appropriate) for that year.
5. More than two clubs will not be allowed to submit a combined team.
6. Points from a combined team for individual Association's Club Championships shall be as determined by each Association's Committee.

Section 11 – METRO COMMITTEE CHANGES TO THE RULES OF THE GAME OF HOCKEY

The following rules apply to U15A and U17A Metro Competition games and an exception to the FIH Rules of Hockey.

SYDNEY METRO JUNIOR HOCKEY COMPETITIONS

Sydney Under 15A and Under 17A Metro Competition Rules

1. Fully kitted goalkeeper
Teams must field a fully kitted goalkeeper at the commencement and throughout the match. Given this requirement the FIH rule that stipulates the lack of goal keeping privileges for a field player who replace a goalkeeper does not have application.

2. Match duration
Matches will be played in four 14 minute quarters(see Section 2) rather than 4 x 15 minute quarters.
